

Hello Dance Dimensions families!

You should have already received an email informing you that we will be implementing a new software system at the studio to enhance your experience with us. Using Dance Studio Pro will enable us to communicate with you more effectively and you will have more visibility into your account using your parent portal.

Please follow the link given below to set up your own parent portal. As we said in our previous email, the portal will allow you to:

- Register for classes (when registration opens in May)
- View your child(ren)'s class schedule (coming summer and fall 2024)
- Make payments (not until summer and fall 2024)
- Receive communication and updates
- And much more!

PLEASE NOTE: The financial information in your account will NOT BE CORRECT at this time. Please do not use the system to pay your tuition this dance season.

However, we need you to set up your portal to be prepared for summer and fall registration in May.

Registration dates: General registration – May 15th

Company registration – May 14th

Please follow this link to set up your own personal parent portal:
